Power of Attorney

In consideration of the General Partner accepting this subscription and conditional thereon:

1. The Subscriber hereby nominates, constitutes and appoints the General Partner, with full power of substitution, as his, her or its agent and true and lawful attorney for property and agent to act on his, her or its behalf, with full power and authority in his, her or its name, place and stead to execute, swear to, ratify, confirm, acknowledge, deliver, file and record in the appropriate public offices in any jurisdictions where the General Partner considers it appropriate any and all of:
 - (a) the Limited Partnership Agreement, and any amendment, change or modification thereto from time to time made in accordance with its terms, and all declarations and other instruments or documents necessary or required to continue and keep in good standing the Partnership as a limited partnership in the Province of Ontario and elsewhere;
 - (b) all documents on behalf of the Subscriber and in the Subscriber's name as may be necessary to give effect to the sale or assignment of a Unit or to give effect to the admission of additional or substituted Limited Partners or a transferee of Units as a new Limited Partner of the Partnership as required by and/or subject to the terms and restrictions of the Limited Partnership Agreement;
 - (c) all conveyances and other instruments or documents required in connection with the dissolution and liquidation of the Partnership subject to the terms and restrictions of the Limited Partnership Agreement, including the distribution of assets of the Partnership;
 - (d) all other instruments and documents on the Subscriber's behalf and in the Subscriber's name or in the name of the Partnership as may be deemed necessary by the General Partner to carry out fully the Limited Partnership Agreement in accordance with its terms; and
 - (e) all elections, determinations, designations, applications, declarations of status or beneficial ownership, claims, information returns, forms, or similar documents or instruments under the *Income Tax Act* (Canada) (including without limitation elections under Section 85(2) and 98(3) thereof) or any other taxation or other legislation or laws of like import in Canada, in the United States of America, or in any other foreign jurisdiction, in respect of the affairs of the Partnership or of the Subscriber's Units in the Partnership, for all taxation years in which the Subscriber is or is deemed to be a Limited Partner.

2. The Subscriber acknowledges that the ability of the General Partner to carry out its duties and discharge its obligations to the Partnership is dependent on the validity and survival of this power of attorney.

The power of attorney hereby granted is a power coupled with an interest and is irrevocable; shall survive the assignment by the Subscriber of the whole or any part of the interest of the Subscriber in the Partnership, extends to the heirs, executors, administrators, successors, assigns and other legal representatives of the Subscriber, shall survive the death or disability of the Subscriber and may be exercised by the General Partner on behalf of the Subscriber in executing such instrument with a single signature as attorney and agent for the Subscriber. The Subscriber agrees to be bound by any representation or action made or taken by the General Partner pursuant to such power of attorney and hereby waives any and all defences which may be available to contest, negate or disaffirm the action of the General Partner taken in good faith under such power of attorney. In the event that a court of competent jurisdiction (or an arbitrator in circumstances where the General Partner has agreed to be bound by such arbitrator's decision) determines that this power of attorney has been terminated, been duly revoked or has become invalid, any exercise of the power by the General Partner following such termination, revocation or invalidity shall be valid and binding as between the Subscriber or the estate of the Subscriber and any person, including the General Partner, who acted in good faith and without knowledge of the termination, revocation or invalidity.

The Subscriber hereby releases the General Partner from all liability of any kind that may arise in consequence of any act or omission of the General Partner, so long as the General Partner exercises its authority hereunder and under the Limited Partnership Agreement in good faith. The Subscriber agrees to be bound by any representation or action made or taken by the General Partner pursuant to this power of attorney and, if requested, agrees to ratify any such representation or action, including the execution of any documents necessary to effect such ratification. The Subscriber hereby indemnifies the General Partner with respect to all liability that may arise hereunder and under the Limited Partnership Agreement in consequence of any act or omission of the General Partner in the exercise of its authority hereunder and under the Limited Partnership Agreement, unless the General Partner is found by a court of competent jurisdiction in the Province of Ontario to have acted without good faith in exercising its authority under the Limited Partnership Agreement, and such indemnification shall remain effective for any entity that ceases to be General Partner in respect of any such act or omission that occurred while such entity was General Partner.

This power of attorney becomes effective on the date that this subscription is accepted and shall continue in respect of the General Partner so long as it is the general partner of the Partnership, and shall terminate thereafter, but shall continue in respect of a new general partner as if the new general partner were the original attorney. This power of attorney is in addition to and does not override or terminate any other power of attorney previously granted by the Subscriber,

however in the event of a conflict between the terms of the power of attorney contained herein, and the provisions relating to a power of attorney contained in the Limited Partnership Agreement or in any previous subscription for Units of the Partnership by the Subscriber, the terms of this power of attorney shall prevail. This power of attorney shall survive the granting of any subsequent power of attorney by the Subscriber. The Subscriber agrees to take any action reasonably required by the General Partner to ratify any decision made or step taken by the General Partner pursuant to this power of attorney.

Anti-Money Laundering and Anti-Terrorist Financing Legislation in Canada

In order to comply with Canadian legislation aimed at the prevention of money laundering and terrorism financing, the Manager and/or the Partnership's administrator (as applicable) may require additional information concerning investors from time to time, and the Subscriber agrees to provide all such information. The Manager and/or the Partnership's administrator (as applicable) may also be required to disclose identification information in relation to such Subscribers to a third party service provider or governmental, regulatory and/or taxation agencies.

In accordance with the *Proceeds of Crime (Money Laundering) and Terrorist Financing Act* (Canada), a Subscriber purchasing Units directly from the Manager must provide certain information and/or documentation as well as proof of identity and source of funds. Corporations, trusts, limited partnerships or similar entities, other than those entities specifically exempted by the applicable rules, must complete Schedule E and attach all necessary documentation. **Individual Subscribers, and each signatory of a Subscriber that is not an individual, must complete Schedule E.**

The Subscriber acknowledges that if, as a result of any information or other matter which comes to the Manager's attention, any director, officer or employee of the Manager, or its professional advisers, knows or suspects that an investor is engaged in money laundering, such person is required to report such information or other matter to the Financial Transactions and Reports Analysis Centre of Canada (FINTRAC) and such report shall not be treated as a breach of any restriction upon the disclosure of information imposed by Canadian law or otherwise.

International Information Reporting

In accordance with the *Canada-United States Enhanced Tax Information Exchange Agreement* (the "IGA") and Part XIII of the *Income Tax Act* (Canada) and related guidance issued in connection therewith (together, "FATCA"), the Manager is required to report on behalf of the Partnership certain information with respect to Subscribers who are U.S. residents or U.S. citizens (including U.S. citizens who are residents or citizens of Canada), and certain other "U.S. Persons" as defined under the IGA, to the Canada Revenue Agency ("CRA"). The CRA will then exchange the information with the U.S. Internal Revenue Service ("IRS") pursuant to the provisions of the IGA.

In accordance with Part XIX of the *Income Tax Act* (Canada) which implements the Organisation for Economic Co-operation and Development Common Reporting Standard (“CRS”), the Manager is required to report on behalf of the Partnership certain information with respect to Subscribers who are tax resident in jurisdictions other than Canada and the U.S., or who are controlled by one or more individuals who are tax resident in such jurisdictions. The CRA will then exchange the information with the tax authorities in the relevant participating foreign jurisdictions.

In order for the Manager and the Partnership to comply with their FATCA and CRS obligations, all Subscribers must complete **Schedule G**, and must immediately notify the Manager if any information provided in Schedule G changes.

The Subscriber acknowledges that any information reported to the CRA by the Manager under FATCA or CRS in connection with the Subscriber's investment in Units shall not be treated as a breach of any restriction upon the disclosure of information that may be imposed by Canadian law or otherwise.

Relationship Disclosure Information

The Subscriber acknowledges that the Manager is the investment fund manager and portfolio manager to the Partnership. In addition, the Manager is also acting as the dealer of record for the Subscriber. As a registrant, the Manager is required by law to provide certain information to the Subscriber (referred to as “relationship disclosure information”) regarding the nature of the relationship between the Manager and the Subscriber, the operating charges and transaction charges charged by the Manager to the Subscriber and the obligations of the Manager to the Subscriber, among other things, which information is contained in the Offering Memorandum and this Subscription Agreement. Also, see supplemental relationship disclosure information on Schedule J.

Use of Benchmarks

When evaluating the performance of an investment product, it may be useful to compare it against an appropriate benchmark in order to make an informed assessment of the product's performance based on the product's investment strategy. Any benchmarks that are used should be suitable comparisons to the markets that the product is actually invested in. Whichever benchmark you may choose to use, the Partnership may not invest in all or any securities that make up the benchmark. It is important to note that benchmarks may not include operating charges and transaction charges as well as other expenses related to the Partnership's operations, which may affect any comparison.

Use of Borrowed Money to Finance an Investment

Borrowing money to finance the purchase of Units involves greater risk than purchasing in cash. If a Subscriber borrows money to purchase Units, the responsibility to repay the loan and pay interest as required by the terms of the loan remains the same even if the value of the Units declines.

Client Circumstances

When an investor purchases Units directly through the Manager, in its capacity as exempt market dealer, the Manager is required to collect “Know-Your-Client” information. The required information is used to establish the investor's identity (and if the Manager has cause for concern, make reasonable inquiries as to the reputation of the investor), determine whether the investor is an insider of any publicly listed issuer, and fulfil the Manager's anti-money laundering obligations and foreign tax reporting obligations. Before and investor purchases Units, the Manager must determine that the investment action is suitable for the investor and put the investor's interest first. The Know-Your-Client information assists the Manager in obtaining sufficient information regarding an investor's personal and financial circumstances; investment needs and objectives; investment knowledge and risk profile; and investment time horizon to fulfill the Manager's obligation to determine whether the purchase or sale of a Unit by the investor is suitable for the investor prior to the transaction being executed or at any other time. When processing your subscription for Units, the Manager will review the terms contained in the Offering Memorandum against your “Know-Your-Client” information. An investor who is a “permitted client” may waive the Manager's obligation to perform a suitability assessment. If there is a change to your circumstances, please inform the Manager.

Reporting

The Manager will provide the Subscriber with a written confirmation of the transaction promptly after the subscription for Units is accepted. The Manager will also provide the Subscriber with account statements (at least quarterly) which contain information about each transaction conducted for the Subscriber during the time period covered by the statement and information about each Unit the Subscriber owns at the end of the period covered by the statement. Annual financial statements and interim financial statements with respect to the Partnership will be provided to the Subscriber within the time frames set out in the Offering Memorandum. The Subscriber will also receive such documents and other account statements as required by applicable securities laws.

Such reports and statements will be provided to the Subscriber in accordance with the electronic delivery instructions provided in Section 6 of the Subscription Agreement.

Privacy

The Subscriber acknowledges that by completing the Subscription Agreement, the Subscriber will be providing the General Partner and Manager with personal information within the meaning of the *Personal Information Protection and Electronic Documents Act* (Canada), as amended (“PIPEDA”). The Subscriber's personal information will be used for the purposes of administration, transfer agency, statistical analysis, research and disclosure to the General Partner, the Manager, the Partnership and its delegates and agents, regulators and professional advisors (such as auditors and legal counsel). By signing this Subscription Agreement, the Subscriber consents to the General Partner, the Manager, the Partnership and their

delegates and duly authorized agents and any of their respective related, associated or affiliated companies obtaining, holding, using, disclosing and processing the personal information for any one or more of the following purposes:

- (a) to manage and administer the Subscriber's holding in the Partnership and any related accounts on an ongoing basis;
- (b) for any other specific purposes where the Subscriber has given specific consent;
- (c) to comply with legal and regulatory obligations applicable to the Subscriber, the Manager, the Partnership, or any of their delegates or agents;
- (d) for disclosure or transfer, to third parties including regulatory bodies, auditors or technology providers for the purposes specified above.

Pursuant to the PIPEDA, the Subscriber has a right of access to his or her personal information kept by the Manager or the Partnership and the right to amend and rectify any inaccuracies in his or her personal information held by the Manager or the Partnership by making a request to the Manager in writing. More information concerning the Manager's policies and procedures concerning the use and protection of the Subscriber's personal information is available from the Manager.

The Manager is required to deliver a form to the Ontario Securities Commission (the "**Commission**") containing personal information of the Subscriber, including full name, residential address, telephone number, number and type of securities purchased and the total purchase price. This information is collected indirectly by the Commission under the authority granted to it in securities legislation, for the purposes of the administration and enforcement of the securities legislation of Ontario. By submitting this subscription, the Subscriber authorizes the indirect collection of the information by the Commission. In Ontario, the following official can answer questions about the Commission's indirect collection of the information:

Dispute Resolution

Subscribers who purchase Units directly from the Manager (in its capacity as an exempt market dealer), may avail themselves of independent dispute resolution and mediation services, at the Manager's expense, to mediate any dispute for "Eligible Claims" as defined in National Instrument 31-103 – *Registrant Registration, Exemptions and Ongoing Registrant Obligations* that may arise between the Subscriber and the Manager about the services provided by the Manager. These services will be provided by the Ombudsman for Banking Services and Investments ("**OBSI**"). If the complaint is not an Eligible Claim or the Subscriber wishes to use a dispute resolution or mediation

service other than OBSI, then the Subscriber acknowledges that it will bear the expense for the independent dispute resolution and mediation services. Please see **Schedule H** for more information.

Statutory Rights of Action and Rescission

If the Manager accepts a subscription, the Subscriber is hereby granted a right of action against the Partnership and/or certain other persons, depending on the residency of the Subscriber, for rescission or damages, corresponding to the rights described in the Offering Memorandum and available under the securities legislation of the relevant province or territory.

SCHEDULE J

Supplemental Relationship Disclosure Information

As a registrant, the Manager is required by law to provide certain information to the Subscriber (referred to as “relationship disclosure information”) regarding the nature of the relationship between the Manager and the Subscriber, the operating charges and transaction charges charged by the Manager to the Subscriber and the obligations of the Manager to the Subscriber, among other things, which information is contained in the Offering Memorandum and this Subscription Agreement. In addition, the following is supplemental relationship disclosure information and should be read in conjunction with the Offering Memorandum and this Subscription Agreement.

Securities Available for Distribution and the Distribution of Units:

When a client (i.e., the Subscriber) opens an account (the “Account”) with the Manager to subscribe for units of the Partnership, the Account will only hold units of the Partnership. Any cash deposited to the Partnership for subscription of units or held as proceeds on redemption of units will be held in trust on behalf of the client until such time as the units are subscribed or the redemption proceeds paid, respectively. The Manager will not recommend the purchase or sale of any other security, other than Partnership units for this Account. The Manager may recommend the purchase or sale of securities of other funds managed by the Manager. However, any such securities will be held in a separate account from the Account.

The Manager is also the sole distributor of the Partnership units. No fees are earned by the Manager to perform these activities. The Manager does not earn or pay any fees or other compensation from/to any third parties with respect to the distribution or redemption of Partnership units.

The Manager may have authority to cause a redemption of a client’s units in the Partnership in accordance with terms of the Limited Partnership Agreement and the Offering Memorandum. The Manager may also be able to enact a temporary hold on the Account (see “*Temporary Holds*” below).

How Units are Held:

When a client subscribes to units of the Partnership, the units are held in the Account in the name of the client and administered by the Manager. The Manager will hold the units on behalf of the Partnership in book form in a registry of Limited Partners.

Impact of Fees and Expenses on Net Asset Value:

Fees related to the operation of the Partnership, including the operating expenses of the Partnership are described in the Offering Memorandum. Partnership expenses, including fees paid and profit allocations to the Manager, will reduce the Net Asset Value of the Partnership, and thus reduce the overall compounded returns earned by a Limited Partner.

Trusted Contact Person:

The Manager will request the client to provide a Trusted Contact Person (“TCP”) as defined by National Instrument 31-103 Registered Requirements, Exemptions and Ongoing Registrant Obligations (“NI 31-103”) – See *Schedule H*. A TCP will be someone the Manager can contact, at its discretion, to inquire about the whereabouts/status of the client or to request the client to contact the Manager as soon as possible. In addition, a TCP is someone that the Manager may contact to confirm or make inquiries about (a) possible financial exploitation of the client, (b) the client’s mental capacity as it relates to the client’s ability to make decisions involving financial matters, (c) the name and contact information of the client’s legal representative, if any, and /or (d) the client’s contact information.

Temporary Holds:

The Manager may place a temporary hold on the Account if the Manager believes the client is a vulnerable client, as defined in NI 31-103, **AND** the Manager reasonably believes financial exploitation of the client has occurred, is occurring, has been attempted or will be attempted. If the Manager were to conclude a temporary hold should be placed on the Account, the Manager will provide, as soon as possible, notice to the client of the temporary hold, including the reasons for the temporary hold. After a temporary hold is in place, the Manager will review, on a reasonably frequent basis, the relevant facts related to the temporary hold to determine if continuing the hold is appropriate. In addition, within 30 days, and every subsequent 30-day period of the Manager placing the temporary hold, the Manager will either (a) revoke the temporary hold, or (b) provide the client notice of the Manager’s decision to continue the temporary hold, and the reasons for that decision.
